Happy Nurses Week!

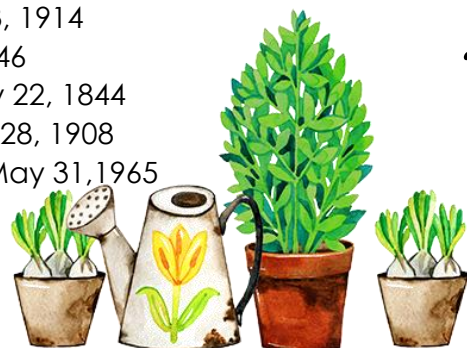

May 6th-12th we celebrate our dedicated LPN's and RN's!

For 2024, American Nursing Association has selected the theme "Nurses Make the Difference" to honor the varying roles of nurses and their positive impact on our lives. Nurses make a difference as trusted advocates who ensure individuals, families, and communities receive quality patient care and services.

May Birthdays

Those born between May 1-20 are Bulls of Taurus. Bulls show a steady persistence in both professional and personal endeavors. After working hard, they like to reward themselves for a job well done. If you were born between May 21-31, you are a Twin of Gemini. Geminis make communicative, lively companions. Intellectual and imaginative, they are the ones to sit near at a party.
